

BOARD OF PUBLIC WORKS

May 11, 2010

President Ingwell called the meeting to order.

A. Roll call

Present at roll call were Alderpersons Ingwell, Hunter, Schuringa, Koch, Rivers, and Alt. Henke. Also present were Streets Suprv. Boll, Parks Suprv. Klinzing, DPW Finkenbinder, Water Suprv. Kennison, Eng. Suprv. Gerber, Mayor Ross, Main Street Director Barb Nelson, and Alderperson Hanson.

B. Correction of Minutes

None

C. Business:

1. Discuss 8th and 9th Street project

DPW Finkenbinder presented information and went over the anticipated costs of the project. Plans are to go out for bids for this project in December. Questions and discussion took place. Alderperson Hannes arrived at the meeting. DPW Finkenbinder then presented other details of the project. Mayor Ross wants to see who has not cashed their checks for the right of way acquisition and call them and find out why. Alderperson Koch asked about detour plans. DPW Finkenbinder said this will need to be looked at more and may need some new temporary no parking zones during the project. DPW Finkenbinder was asked to look into plastic water lines instead of copper in order to save money. Eng. Suprv. Gerber then went through the route and other information. More questions and discussion took place.

D. Adjournment

Motion made by Alderperson Hunter and seconded by Alderperson Schuringa to adjourn. Motion carried.
